LODI ARTS COMMISSION

The Lodi Arts Commission was established by the City Council in 1982. Eleven volunteer commissioners form the Commission that strives to develop and expand the arts in Lodi guided by the following:

MISSION STATEMENT

- The arts are lasting!
- The arts communicate wisdom and knowledge through the ages.
- The arts inspire us to rise above the everyday, allowing expression and experience of our emotions and spirit.
- The arts are the universal language of the human spirit and bring people together in mutual respect and understanding.
- The creative spirit that manifests artistic expression must be nurtured, encouraged, supported and valued as a primary basis for quality of life, requiring responsibility of all for the continuance of the arts.

GOALS

- To initiate, sponsor and produce major city-wide festivals/events for music, drama, dance and visual arts.
- To increase access to the arts through direct participation and individual experience.
- To actively support the growth and stability of arts groups in Lodi.
- To motivate and connect the diversity of groups in Lodi to participate together around the arts.
- To continue to build and create an atmosphere of community for the whole city at Hutchins Street Square through the arts.
